Eleven Peppers · UX Designer

November 2014 - Present (over 3 years)

Provided UX guidance for enterprise software, meeting complex logistical needs and specialized use-cases. Crafted custom WordPress sites for corporate entities. Created branding to honor the history, value, and scope of their work.

....

Booz Allen Hamilton · Designer

July 2014 - November 2014 (5 months)

....

ADG Creative · Designer & Web Integrator

March 2011 - July 2014 (3-ish years)

Integrated multi-tiered web applications, and mid-sized CMS applications. Advocated for responsive design and W3C best practices. Provided concept art for video and print.

....

Freelance · Designer & Illustrator

February 2005 - March 2011 (6 years)

Designed and integrated commercial websites for local and international efforts. Illustrated three published children's books. Painted more than a few pastel portraits.

....

Education · University at Buffalo, BFA Illustration

....
